

RocaJunyent has been awarded the United Nations Global Compact recognition “Contigo Somos +”

- *RocaJunyent recognised for its commitment to sustainable development and for attracting new members to the UN Global Compact*
- *The firm becomes the first law practice to receive this recognition*

Every year, the United Nations Global Compact awards the “Contigo Somos +” recognition, which aims to recognise those participants who in the last year have developed actions to promote the initiative among its main stakeholders.

RocaJunyent has received the “Contigo Somos +” bronze award. This recognition highlights the firm's commitment to business sustainability and the work carried out as spokespersons for this important cause.

For this special occasion, our colleagues Natalia Martí (Sustainability Advisor) and Cristina Eguiraun, members of the ESG Committee, led by Íñigo Cisneros, received the award on behalf of the firm.

This makes RocaJunyent the first law firm to receive this recognition, demonstrating its leadership and commitment to the promotion of the Sustainable Development Goals.
